

MONDAY-SATURDAY // DECEMBER 8-13

# Holyoke Codes

◀ IMAGINE, PROGRAM & SHARE ▶

Have fun & learn to code at these **FREE** workshops!

**MONDAY // 4:30 - 6:00**

**HOUR OF CODE;** Join millions of people around the world to build your own code.

**TUESDAY // 4:30 - 6:00**

**Ages 5-7**

**SCRATCHJR;** Coding for young kids to make their own stories and games with characters that move, jump, dance, and sing.

**WEDNESDAY // 4:30 - 6:00**

**ARTBOTICS;** Combine art and computer science to create robots that move and interact.

**THURSDAY // 4:30 - 6:00**

**SCRATCH;** Program your own interactive stories, games, and animations — and share your creations with others in the online community.

**FRIDAY // 4:30 - 6:00**

**Family Night**

**HOUR OF CODE;** Join millions of people around the world to build your own code.

**SATURDAY // 10:30 - 12:30**

**Girls Only**

**MADE WITH CODE;** A Google coding party for girls. Code is in everything from your favorite music to your dream career. Cool tech giveaways. Limited to 30 girls, ages 12 -17. Parents must be present at Saturday registration/drop-off.

Google

**SATURDAY // 12:30 - 2:30**

**SHARE YOUR CODE;** Come have lunch, share what you created with the group, and be inspired by other people's creations.
